- The Czech Republic is currently opening after the lockdown, so we are still working on the program.

Program and registration

Registration fee 350 to 380 Euro

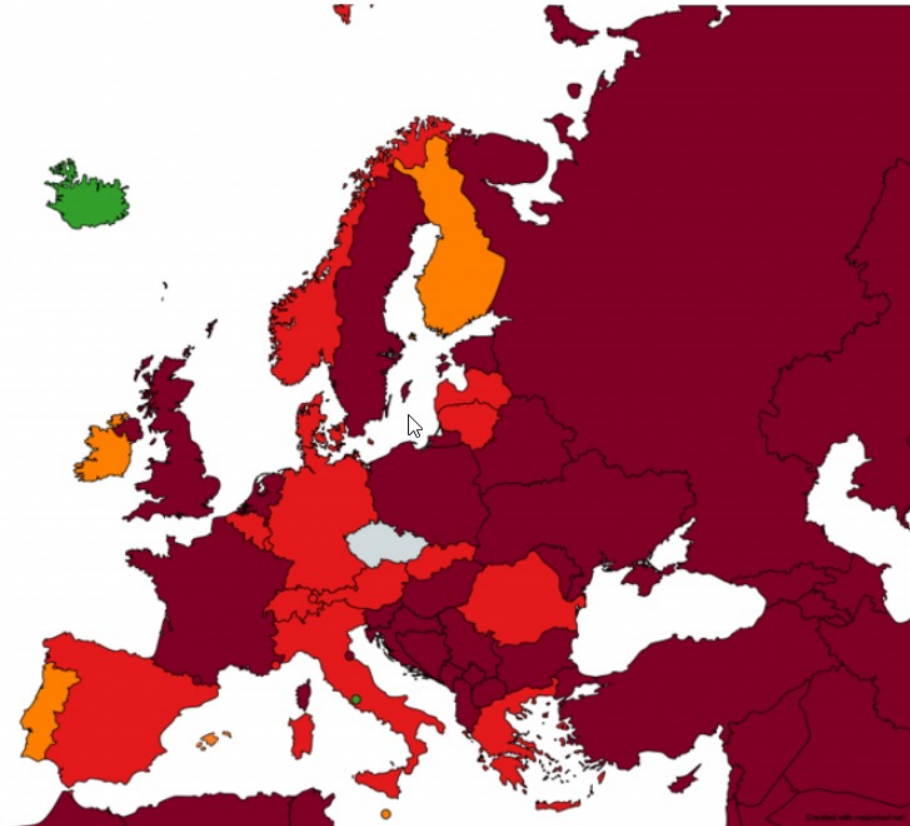

Registration will be open May - July (mid-August)

Registration fee will include:

- Two lunches (Friday and Saturday)
- Two dinners/receptions (Thursday, Saturday)
- Refreshments during the meeting (Friday, Thursday and Saturday)
- Welcome package and all materials
- Cultural/social activities (2-3 activities to choose from on Thursday and Saturday)
- VAT
- Room bookings

Current situation in the Czech Republic

- Reopening after lockdown
- All restaurants are closed (only takeaway meals)
- Test needed (for employees, students etc.)
- Mask needed in outdoor public places and in public buildings
- Travel restrictions for most of the countries

But also...

- Number of COVID cases is declining
- By July 2021 70% of adult population should be vaccinated

In September

Possible restrictions:

- maximum 100 people in one room
- COVID tests
- face masks

Or (as we hope) no restrictions at all

Contingency plan

- 40 and more people registered → no changes to the program
- 30-40 people registered → some reduction to the program
- less than 30 people → significant changes to the program or online meeting
